

NMS Group Social Media Policy

NMS Group and its subsidiaries (“Company”) have established the NMS Group Social Media Policy (“Policy”) for the operation of their official social media accounts (“Official Accounts”) and for the using of the information, content and comments published on our official websites (Websites) and Official Accounts.

1. Use of Official Accounts

NMS Group is a pharmaceutical company committed jointly with its subsidiaries to push humanity forward. Our social media accounts help us connect with all our internal and external stakeholders around the globe. We use these Official Accounts in addition to our Websites to distribute our latest Company news and event updates to our followers in a more dynamic and timely manner.

2. Content on Official Accounts

2.1 Company’s posts

The information published on our Official Accounts is intended to complement and enhance the substance and speed of the news published on the Company's Websites. The Company's official position or announcement will be made through the Company's Websites or press releases.

2.2 Comments from third parties

While content posted on our social media represents our views, the views expressed by others on our accounts are not the views of NMS Group, its employees or subsidiaries. We are not responsible for the content of any third-party posts or external links accessed through our Official Accounts.

2.3 Inquiries

The Company do not commit to responding to comments, messages or mentions. Please refer to our Contact Us page on our Websites for inquiries or opinions.

2.4 Our rights

NMS Group reserves all rights relating to all Official Accounts, including but not limited to:

- The Company might delete or modify comments and other content deemed inappropriate by the Company without notifying or obtaining the consent of the third parties.

- The Company may temporarily or permanently block social media users and discontinue the accounts at any time without further notice.

3. Intellectual property

3.1 Copyrights of the published content by the Company

The copyrights, portrait rights and other rights related to articles, photos, images, audio and video published by Official Accounts belong to the Company or the right holders, and can only be retweeted or shared with no compensation if the original articles published by our Company is shared and distributed with the sources clearly indicated.

3.2 Copyrights of the published content by third parties

The copyrights of any content and comments published on the Official Accounts belongs to the publisher, but the publisher agrees that the Company has the non-exclusive right to use for any further publication of the published content and comments for free.

Publisher warrants that any content and comments published on the Official Accounts don't infringe any third-party IP rights/copyrights.
